

The projects **THOR**, **BAYFLEX**, **UNISON**, **FITNESS**, **BABOTs**, and **BlueArray** collectively represent a new technological frontier, combining bioinspired fabrication, intelligent sensing, adaptive robotics, and sustainable photonic communication to build autonomous systems that seamlessly integrate with the human body and the natural world.

THOR

GA n° 101099719

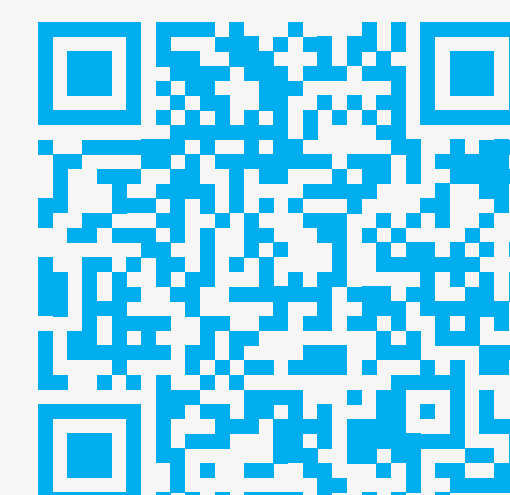

BABOTs

GA n° 101098722

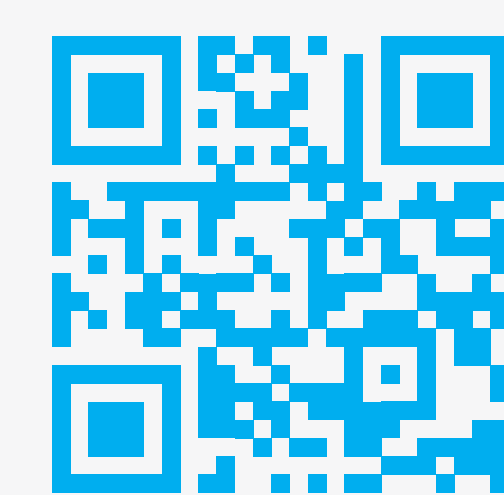

BLUE ARRAY

GA n° 101130710

UNISON

GA n° 101128598

BAYFLEX

GA n° 101099555

FITNESS

GA n° 101098996
